Ford also leads its field in the little things that count big, such as baked-on enamel finishes... first-time fabrics in any car... 18mm. spark plugs (last resist fouling up to 3 times longer)... a frame with 5 cross members (not 4 or 2)... and the most windshield area in its price range. It's because Ford is continually "first with the most" that it has led its field in resale value for 3 years running. And all of these extra values have won for Ford more new friends than any other car. Take your Test Drive today!
